

## **SPEAKING: Band Descriptors (public version)**

speaks fluently with only rare repetition or self-corre any hesitation is content-related rather than to find v or grammar speaks coherently with fully appropriate cohesive fee develops topics fully and appropriately speaks fluently with only occasional repetition or sel correction; hesitation is usually content-related and rarely to search for language develops topics coherently and appropriately  speaks at length without noticeable effort or loss of coherence may demonstrate language-related hesitation at time some repetition and/or self-correction uses a range of connectives and discourse markers some flexibility  is willing to speak at length, though may lose cohere times due to occasional repetition, self-correction or	topics  uses idiomatic language naturally and accurately  uses a wide vocabulary resource readily and flexibly to convey precise meaning  uses less common and idiomatic vocabulary skilfully, with occasional inaccuracies  uses paraphrase effectively as required  uses vocabulary resource flexibly to discuss a variety of topics  uses some less common and idiomatic vocabulary and shows some awareness of style and collocation, with some inappropriate choices  uses paraphrase effectively	uses a wide range of structures flexibly produces a majority of error-free sentences with only very occasional inappropriacies or basic/non-systematic errors  uses a range of complex structures with some flexibility frequently produces error-free sentences, though some grammatical mistakes persist	uses a full range of pronunciation features with precision and subtlety sustains flexible use of features throughout is effortless to understand  uses a wide range of pronunciation features sustains flexible use of features, with only occasional lapses is easy to understand throughout; L1 accent has minimal effect on intelligibility shows all the positive features of Band 6 and some, but n all, of the positive features of Band 8
correction; hesitation is usually content-related and rarely to search for language  develops topics coherently and appropriately  speaks at length without noticeable effort or loss of coherence  may demonstrate language-related hesitation at time some repetition and/or self-correction  uses a range of connectives and discourse markers some flexibility  is willing to speak at length, though may lose cohere times due to occasional repetition, self-correction or	only  convey precise meaning  uses less common and idiomatic vocabulary skilfully, with occasional inaccuracies  uses paraphrase effectively as required  uses vocabulary resource flexibly to discuss a variety of topics  uses some less common and idiomatic vocabulary and shows some awareness of style and collocation, with some inappropriate choices  uses paraphrase effectively	produces a majority of error-free sentences with only very occasional inappropriacies or basic/non-systematic errors     uses a range of complex structures with some flexibility     frequently produces error-free sentences, though some grammatical mistakes persist	<ul> <li>sustains flexible use of features, with only occasional lapses</li> <li>is easy to understand throughout; L1 accent has minimal effect on intelligibility</li> <li>shows all the positive features of Band 6 and some, but it</li> </ul>
coherence  may demonstrate language-related hesitation at time some repetition and/or self-correction  uses a range of connectives and discourse markers some flexibility  is willing to speak at length, though may lose cohere times due to occasional repetition, self-correction or	topics es, or • uses some less common and idiomatic vocabulary and shows some awareness of style and collocation, with some inappropriate choices • uses paraphrase effectively	<ul> <li>frequently produces error-free sentences, though some grammatical mistakes persist</li> </ul>	<ul> <li>shows all the positive features of Band 6 and some, but all, of the positive features of Band 8</li> </ul>
times due to occasional repetition, self-correction or	ance at a had a wide anough vecabulary to discuss topics at length	<b>₹</b>	
<ul> <li>hesitation</li> <li>uses a range of connectives and discourse markers always appropriately</li> </ul>	and make meaning clear in spite of inappropriacies  generally paraphrases successfully	uses a mix of simple and complex structures, but with limited flexibility     may make frequent mistakes with complex structures though these rarely cause comprehension problems	<ul> <li>uses a range of pronunciation features with mixed controls shows some effective use of features but this is not sustained</li> <li>can generally be understood throughout, though mispronunciation of individual words or sounds reduces clarity at times</li> </ul>
<ul> <li>usually maintains flow of speech but uses repetition correction and/or slow speech to keep going</li> <li>may over-use certain connectives and discourse ma</li> <li>produces simple speech fluently, but more complex communication causes fluency problems</li> </ul>	uses vocabulary with limited flexibility arkers  • attempts to use paraphrase but with mixed success	produces basic sentence forms with reasonable accuracy     uses a limited range of more complex structures, but these usually contain errors and may cause some comprehension problems	shows all the positive features of Band 4 and some, but all, of the positive features of Band 6
<ul> <li>cannot respond without noticeable pauses and may slowly, with frequent repetition and self-correction</li> <li>links basic sentences but with repetitious use of sim connectives and some breakdowns in coherence</li> </ul>	basic meaning on unfamiliar topics and makes frequent	produces basic sentence forms and some correct simple sentences but subordinate structures are rare     errors are frequent and may lead to misunderstanding	uses a limited range of pronunciation features     attempts to control features but lapses are frequent     mispronunciations are frequent and cause some difficulty for the listener
speaks with long pauses     has limited ability to link simple sentences     gives only simple responses and is frequently unable convey basic message	uses simple vocabulary to convey personal information     has insufficient vocabulary for less familiar topics le to	attempts basic sentence forms but with limited success, or relies on apparently memorised utterances     makes numerous errors except in memorised expressions	shows some of the features of Band 2 and some, but not all, of the positive features of Band 4
pauses lengthily before most words     little communication possible	only produces isolated words or memorised utterances	cannot produce basic sentence forms	Speech is often unintelligble
<ul><li>no communication possible</li><li>no rateable language</li></ul>
